What's included

Viva Insights Overview

Viva Insights is a powerful tool to improve organisational, team and personal productivity.

Viva Insights provides privacy-protected insights and actionable recommendations that help everyone in the organisation work smarter and achieve balance.

01 Personal Insights

Receive personal insights visible only to them to help identify opportunities to change how they work so they can do their best work.

02 Manager Insights

Understand the patterns that can lead to team burnout and stress and address these challenges with actionable recommendations.

03 Leader insights

Use powerful insights to make better business decisions and transform your organisation

Steps to leveraging Viva insights **IN YOUR** ORGANISATION

1

Focus & Protected Time

Protect time in the day for regular breaks, focused work, and learning

2

Transform data into intelligence

Use powerful insights to make better business decisions and transform your organisation

3

Develop effective managers

Understand the patterns that can lead to team burnout and stress and address these challenges with best practices and actionable recommendations.

4

Leader insights

Drive employee experience transformation by understanding your people and your business with at-a-glance insights.
