

Why Microsoft Viva Connections?

Drive employee engagement in your organisation

What is Microsoft Viva Connections?

Microsoft Viva Connections is your gateway to a modern engagement experience, which is designed to keep everyone engaged and informed. Viva Connections gives everyone a personalised destination to discover relevant news, conversations, and the tools they need to succeed and to allow you to foster a culture of inclusion and inspiration.

Why Microsoft Viva Connections?

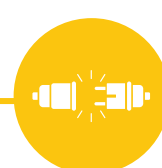

Certain departments or teams can sometimes feel disengaged and isolated from the rest of the organisation;

- Viva Connections helps to foster a culture of inclusion.

Frontline workers often do not have a voice, or feel connection to the main organisation;

- Viva Connections ensures everyone is connected and empowers every employee to contribute ideas and share feedback.

There is often a disconnect between leaders and workers;

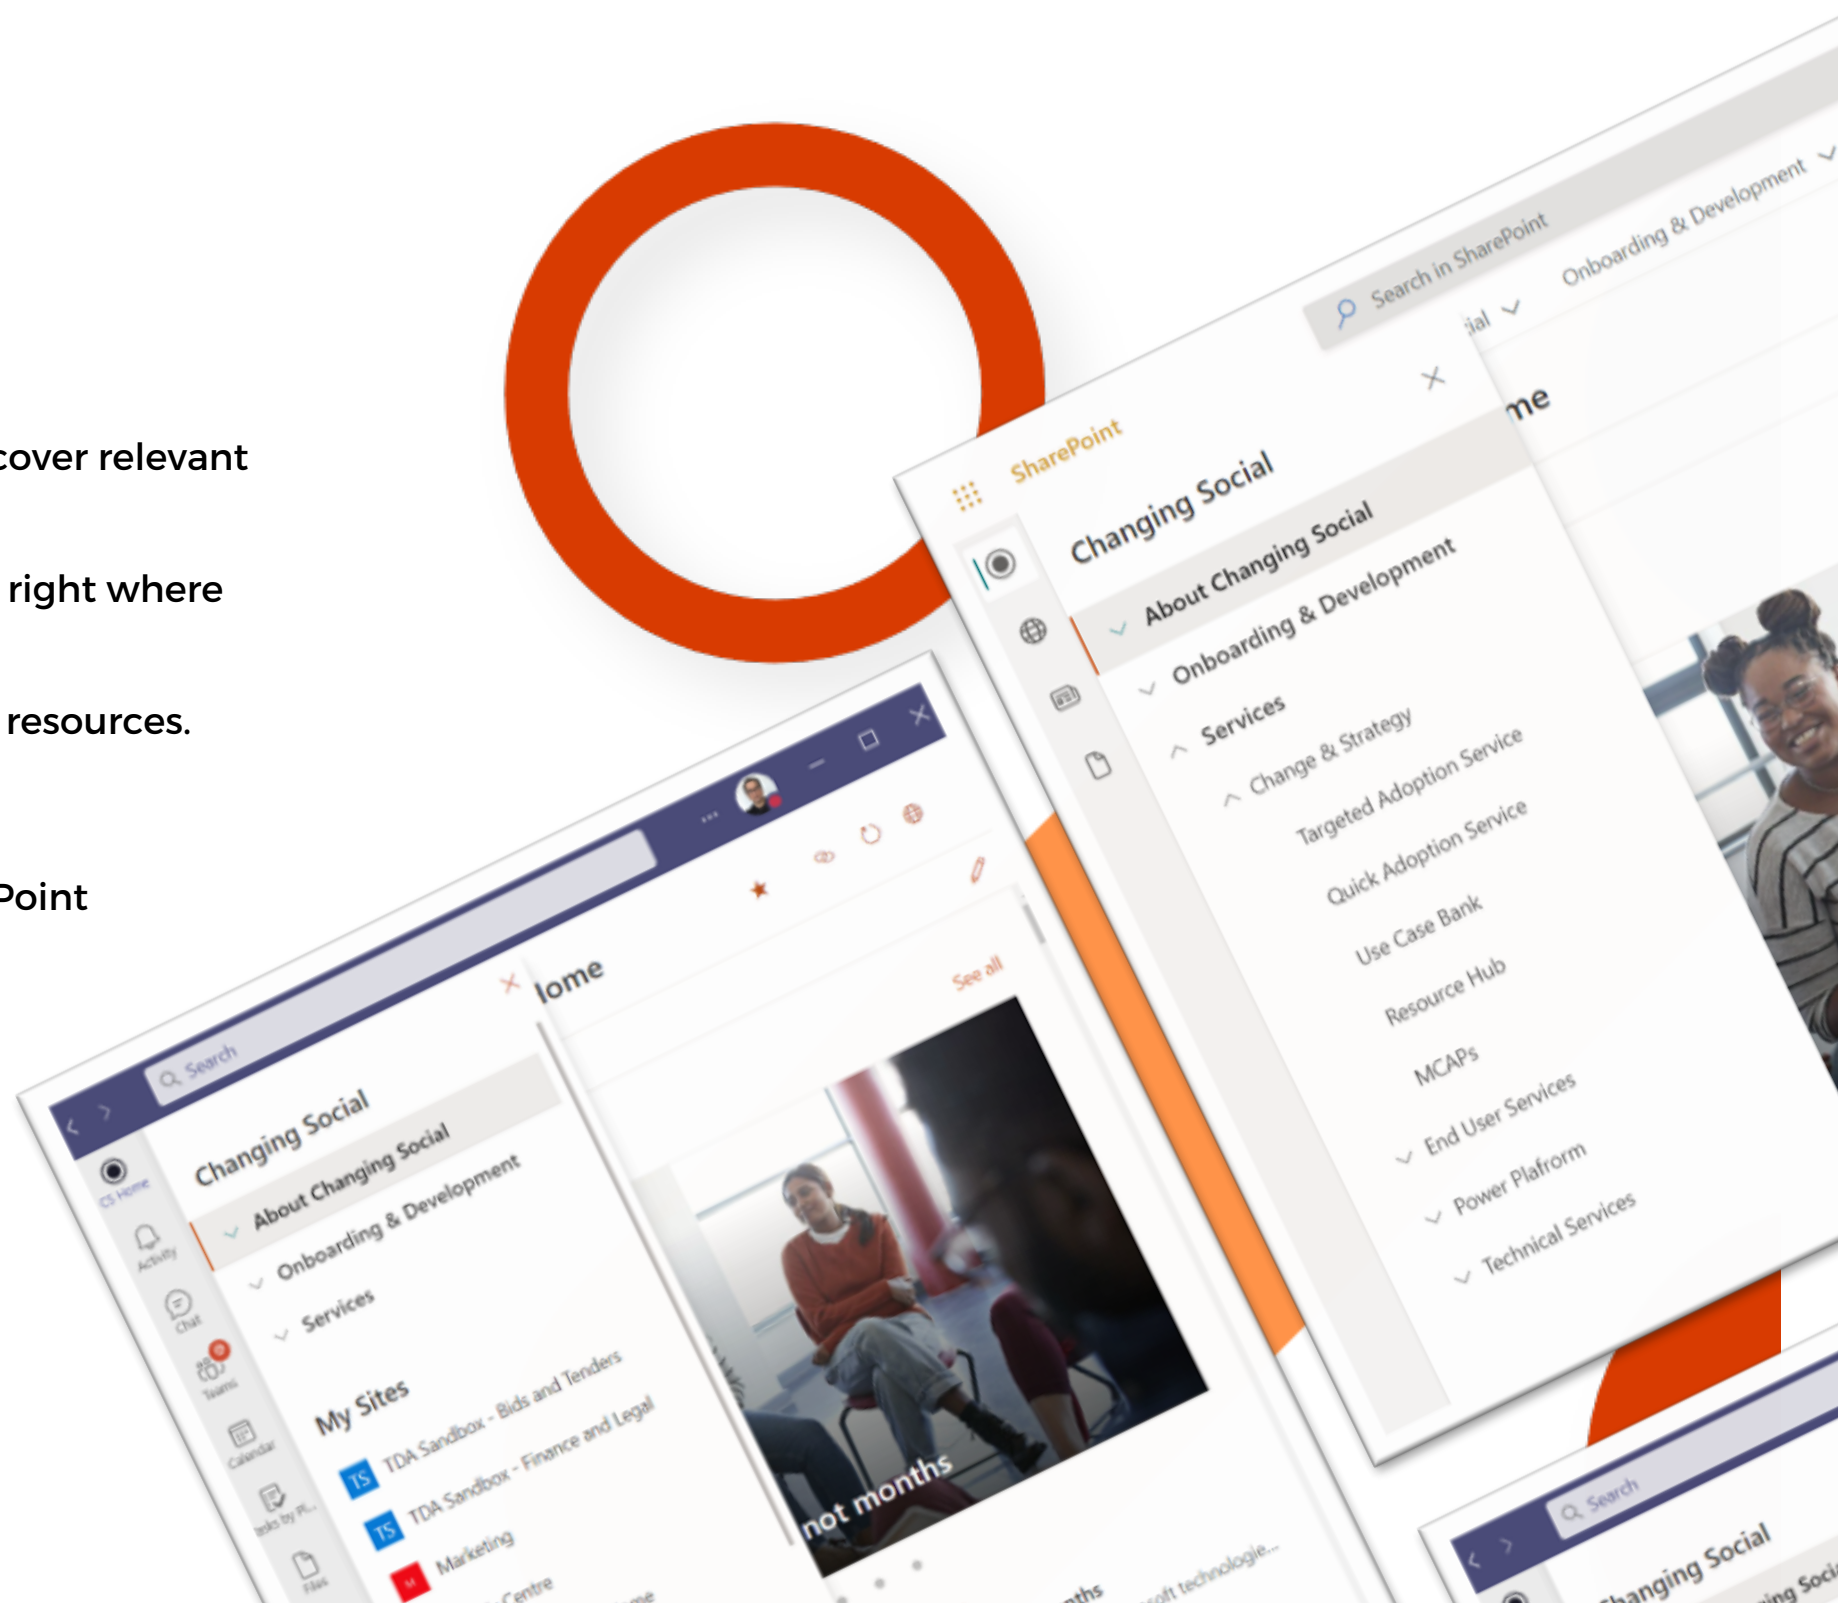

- Viva Connections aligns the entire organisation around the organisation's vision, mission, and strategic priorities.
- Viva Connections Encourages meaningful connections by enabling employees to easily discover relevant communications, communities, and tools

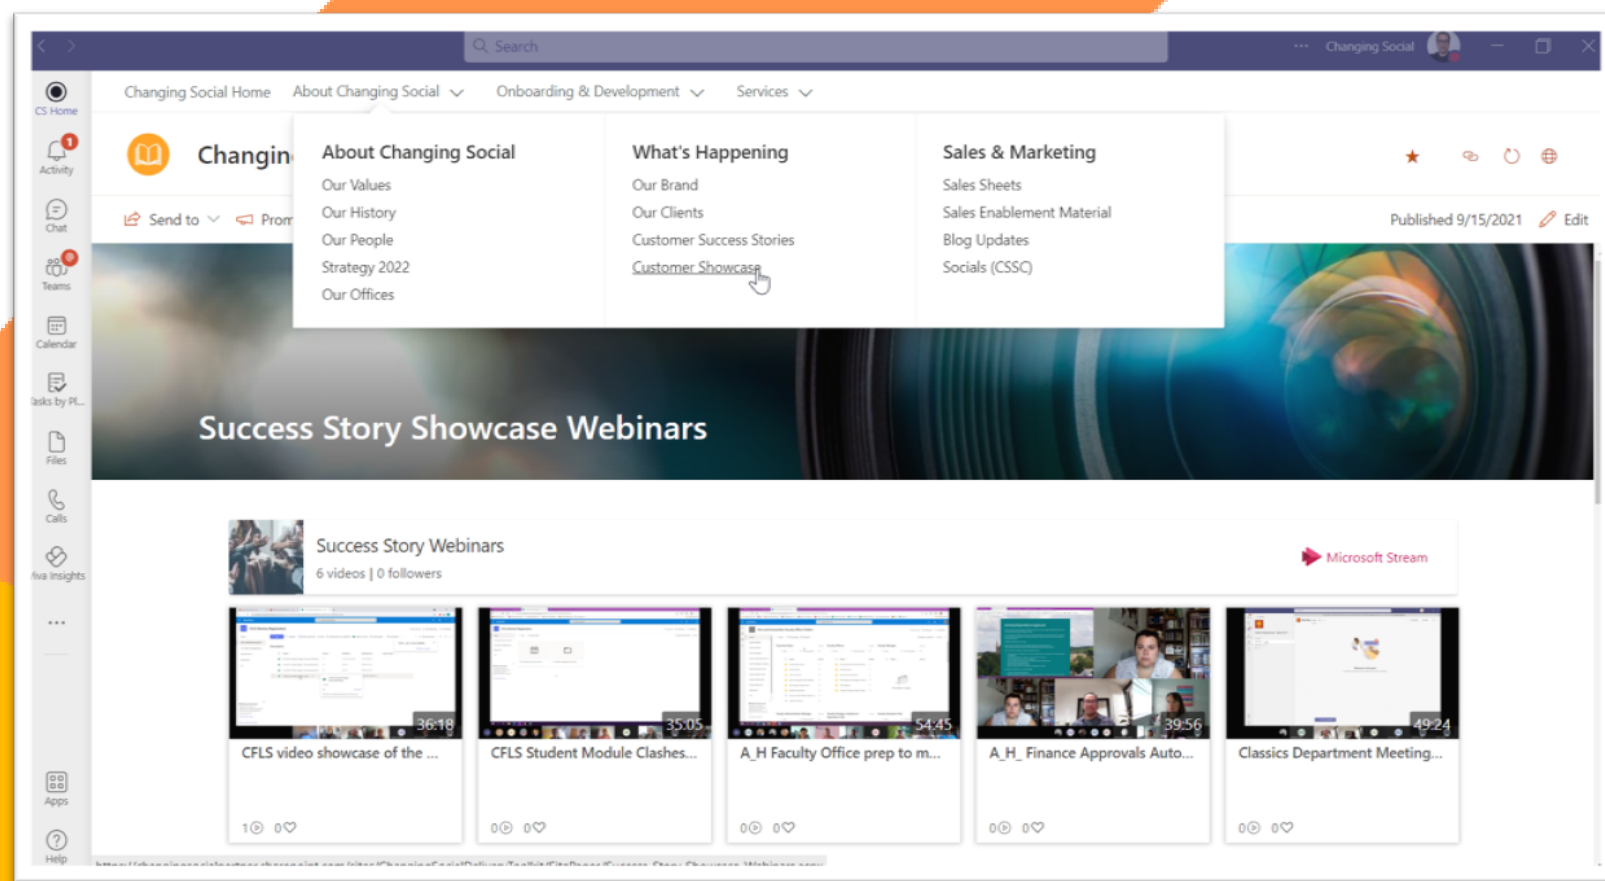

Drive employee engagement

Viva Connections global navigation

Drive employee engagement by enabling employees to easily discover relevant communications, communities, and tools

- Target the right news to the right employees at the right time, right where they work.
- Provide employees with a dashboard of their critical apps and resources.
- Corporate branding
- Consistent global navigation from Microsoft Teams and SharePoint
- Personalised My Sites and My News from Teams

Your Intranet in Microsoft Teams

Access what you need, when you need it, without leaving Teams

- Nurture communities based on shared interests and affiliations.
- Foster transparency and two-way dialogue to get feedback, generate open conversations, and keep a feel on the pulse of the organisation.
- Encourage open sharing of updates, questions, and experiences across the organisation.
- Bridge organisational silos by fostering communities of practice where people can crowdsource knowledge, share best practices, and get answers.
- Enable employees to brainstorm and ideate, collect feedback, or work together towards common goals.

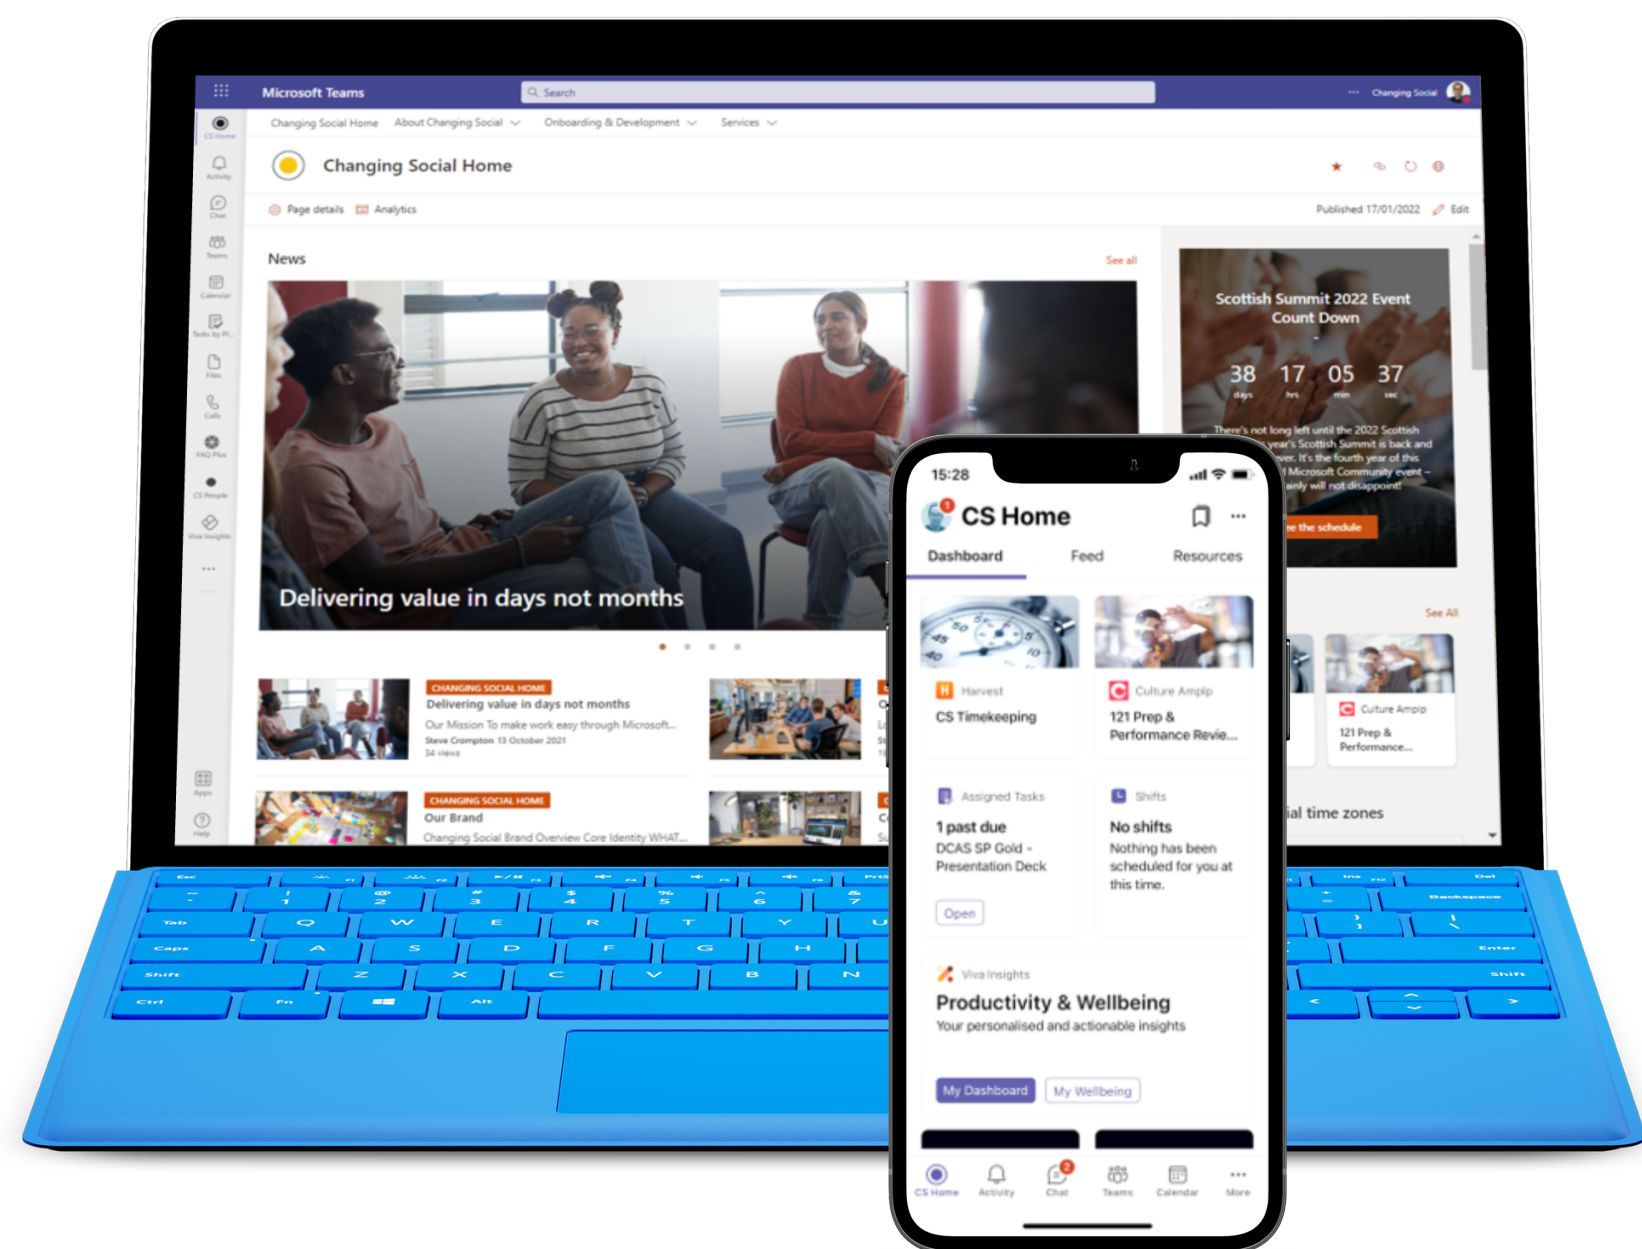

Viva Connections mobile & dashboard cards

Boost employee engagement with a dashboard of their critical apps and resources.

Provide audience targeted, fast and easy access to key company apps, employee data and job-related tasks, such as giving frontline workers the tools they need.

In addition to the Dashboard, Viva Connections mobile allows you to –

- Target the right communication, to the right employees, at the right time, right where they work.
- Discover and engage with the same news and conversations as Viva Connections desktop.
- Maintain the same global navigation as Viva Connections desktop.

Why Changing Social?

We are Microsoft Gold Partners and have a great deal of experience in supporting organisations make the most of their technology. Our approach is to focus on the people side of digital transformation, with the goal of making work easier through new ways of working. We have experience in the Microsoft PowerPlatform and have built solutions with and for some of the world's most recognisable brands.

Contact james.mitcham@changingsocial.co.uk to get you started with your employee experience journey.
